Teach Me Health Academy 1 Avalon Way Worthing BN13 2TP				

Policy of Completion of Courses

Applies to Anatomy/Physiology and Nutrition Course

- We allow a period of 12 months to complete the course. As these courses consist of 5 modules this constitutes approximately 2 months per module – allowing for holidays etc.
- Please note that it is the student's responsibility to inform the training centre of any reason for not completing the assignments on time. Please notify us if there are exceptional circumstances which may prevent you from completing your work on time. We cannot be held responsible for reminding the students to complete their work.
- If the course is not completed within 12 months and you wish to continue you will need to restart the course, which will incur an additional cost.
- Students who have not made contact with us and who have not submitted work for more than 4 months will be deemed as inactive and this may lead to their course being discontinued. If a period of 12 months elapses this will lead to automatic cessation of the course.

Refund Policy

- Every student has the right to a refund if made within a 14 day period of commencement of the course. This will incur an administration cost of £25. The student must inform the Academy in writing and return all course work to us. For your protection it is recommended you use a recorded delivery service to ensure safe arrival as the Academy cannot accept liability for items lost in the post.

Learning Difficulties

- Students are asked to inform us at the time of enrolment whether they have special requirements for learning. In these circumstances we are able to offer extra help and time.

Signed

Date

If you have either a Unique Learner Number or a Scottish Candidate Number, they must be recorded here:

Unique Learner Number
